Brookelynn Mazzocco

FUTURE BEGINNER WTC:

Haley Martens

Volunteer for Ride Time!

We are looking for volunteers that would be able to come help out at the barn after school with tacking horses for lessons in return for ride time!

Requirements:

- Knowledge of properly tacking and untacking horses independently
- How to properly blanket horses

Hours: 3:00pm** - 7:00pm

**or as soon as you can get here after school

Sign Up for volunteer hours on Hopoti!

Snowy Hooves:

With snow still on the ground and horses going out in turnout, it is very important that you are picking your horses feet before and after your rides!

SCHOOLING SHOW

MARCH 1ST

@ THOMAS SCHOOL

Join us for our 1st Show of our new Thomas School Show Series!

Open to all current Thomas School riders of all levels.

Riders are allowed to request 3 of their favorite school horses to ride.

Registration is available through Hopoti.

SAVE THE DATE: TSH JUNIOR OLYMPICS APRIL 18TH

Horse Equipment Signs

When grooming/tacking up your horse, be sure to always check your horses stall for the equipment sign.

These signs will guide you to all the tack your horse is in need of for your ride!

This is very important for you and your horse's safety and keeping them happy!

Blanketing & Quarter Sheet Safety Reminder

As temperatures change, please be sure to blanket your horse before leaving for the night. Ask your instructor or barn staff which blanket each horse should wear—every horse has specific needs and assigned gear.

For safety, always make sure:

- Chest buckles, belly straps, and leg straps are securely fastened and adjusted properly.
- Blankets are positioned correctly and lying smoothly to avoid rubs or pressure points.
- Any damaged or broken blankets are reported to staff immediately.

Please make sure that quarter sheets are placed securely before riding and removed once the horse is warmed up unless otherwise instructed.

Thank you for helping keep our horses comfortable and safe this season!
