**Hello Summer!**

---

**Summer Camp Registration**

Our Equine Summer Camp is more than just riding—it's a full experience built for horse lovers who want to learn, create, and spend unforgettable days with friends who share the same passion. Riders of all levels will enjoy daily time in the saddle, building confidence and skill while forming real connections with their horses.

Beyond the arena, campers dive into hands-on horsemanship—learning grooming, care, tack, and what it truly means to partner with a horse. For those who love a little creativity, our arts and crafts sessions bring the horse world to life with fun, horse-themed projects you can take home. Dreaming of the show ring? Campers will also get a taste of show prep, from polishing boots to perfecting patterns, helping you feel confident and prepared for competition.

Most importantly, this is a place to laugh, grow, and spend long summer days surrounded by your favorite people and horses. Whether you come with friends or make new ones here, you'll leave with memories that last long after summer ends.

Saddle up—your best summer is waiting!

Riders 14 and older are encouraged to sign up for the CIT program!

# Horse Care Post Lessons!!

As the weather gets warmer, it is VERY important that we properly care for our horses after our lessons!

- Horses are to be brushed and bathed/hosed off. Check with your instructor or Hopoti to see if the horse is being used after your lesson before bathing.
- No sweat marks should be left on horses before you leave the barn, after your lessons.
- Pick your horse's feet after the lesson

\*always make sure to clean up after you and your horse\*

- manure is never left in aisles, washstalls, or around the property
- all tack is properly put away back to the tack room at its assigned hook and rack
- brushes are put back in grooming bags and bags are zipped closed

Horses like to stay clean, not sweaty, and well-groomed just as much as we do!!

## REMINDERS

We will begin cleaning out the office and bathroom area for construction soon.

Please retrieve any coats, hats, sweatshirts, water bottles etc..... that have been left behind.

Anything left after 6/15 will be donated.
