TSH AFTER HOURS
21 & Over: Barn Olympics

October 9th

You've watched the lessons.
You've driven to the barn.
You've heard all about inside
leg, outside rein, diagonals, lead
changes and the importance of a
perfectly clean hoof.

Now it's your turn.

Join us for a fun evening at
Thomas School designed
especially for the adults in our
community—parents,
grandparents, spouses and adult
riders included!

No riding experience required—
and no actual riding involved.

We'll start with a little Barn 101,
sharing some practical skills that
will help you better understand
what happens before, during and

We'll divide into teams and put
your new (and existing!)
horsemanship knowledge to the
test with friendly competitions
including:

- Horse Identification
Challenge
- Grooming Relay
- Tack & Equipment
Challenge
- Horse & Barn Trivia
- Musical Saddles

Don't know the difference
between a curry comb and a
body brush? Perfect. Think you
already know everything there is
to know about horses? Even
better.

We'll keep score, crown our
Barn Olympics champions and,
most importantly, have plenty of
time for refreshments, laughs

after a lesson and how you can help your rider at the barn.

Then, it's time for the Barn Olympics!

and getting to know the other adults who spend nearly as much time at Thomas School as their riders do.

Mobile Tack Shop IEA Scrimmage & Media Day

Join us for a fun day at Thomas School featuring our IEA Scrimmage, Team Media Day, and a special Mobile Tack Shop with Alorian Saddlery!

Our IEA riders will have the opportunity to get some valuable practice in a scrimmage setting while we also capture team photos and content for the upcoming season.

And while you're here, Alorian Saddlery will be bringing the tack shop to us! Riders and families can shop a selection of riding apparel, gear, and equestrian essentials right at the farm. It's a great opportunity to get fitted, replace outgrown items, or pick up something new for the fall season without making a separate trip to the tack store.

All Thomas School riders and families are welcome to shop — you do not need to be participating in the IEA Scrimmage or Media Day.

Come cheer on our riders, enjoy the team atmosphere, and do a little shopping while you're here!

Julie Winkel Clinic, Sep19–20

A few **rider spots** are still available for our upcoming clinic with Julie Winkel. Julie brings the invaluable perspective of a highly respected judge, trainer, and clinician, making this an especially worthwhile opportunity for riders heading into IEA and show season. Participation and auditing are strongly encouraged for IEA riders. Don't miss the chance to learn what the judge is looking for and receive feedback you can put directly into your riding.
